Sylvania Schools

An excellent school district that provides more.

Quality education is a priority in the Sylvania area. This community boasts an excellent public school system and an outstanding university.

Families move to and stay in the Sylvania community for its outstanding public school system. Sylvania Schools is a comprehensive K-12 program serving about 7,500 students through seven elementary, three junior high, and two high schools. The district incorporates a rigorous course of study, exceeding state and national standards. Implementation of Ohio's New Learning Standards and a digital learning initiative provide the personal attention that empowers a diverse student population, beginning with preschool and all-day kindergarten programs and culminating with college-level AP and authentic career technical programs. Throughout Sylvania Schools, students with unique needs, including physical and learning challenges as well as advanced cognitive gifts, enjoy a support system tailored to their needs.

Sylvania Schools goes above and beyond those basic requirements of public education through its incredible diversity of academic and extracurricular opportunities. Students in Sylvania can enroll in special gifted and talented education programs from grades three through eight and take advantage of 21 AP classes in the two high schools. Many high school students complete college-credited courses through articulation agreements with local colleges and universities. Students also compete in extracurricular programs from junior high Power of the Pen to high school mock trial or any one of the over 50 others. Student athletes compete in 25 different varsity sports. Perhaps most impressive is the range of career technical offerings at Sylvania Schools, where students work in authentic environments to study career fields such as cosmetology, robotic engineering, medical technologies, and computer programming. These career technical programs often help students earn professional licences, hold internships, and compete in career-based extracurricular activities. This range of opportunities demonstrates the district's commitment to serving each student at his or her interest and ability level, moving beyond the mere fundamentals.

The Sylvania Schools' mission is "Preparing students to be life-long learners and engaged citizens." This is accomplished through the four core values of Student-Centered, Safe, Innovative, and Achievement. These values help support the district's vision to be an exceptional public school district that teaches and inspires students to contribute to society in meaningful and compassionate ways.

Sylvania Schools has been and will continue to empower each Sylvania child to succeed.

Culture and Heritage

On July 13, 1836, Judge William White recorded the plat of the town of Sylvania. The placement of a large granite boulder at Erie and Division Streets marked the beginning of the City of Sylvania. Preserving and sharing our history continues to be an important part of life in Sylvania. Several organizations work closely together to tell the story of our past to new generations:

Sylvania Historical Village

The Sylvania Historical Village and Heritage Center Museum currently maintains six historic buildings in a park-like setting near historic downtown, and opens its doors to students, families and history lovers of all ages. The Museum is housed in the early 20th century home of Dr. Uriah Cooke, while the buildings in the Historical Village features Sylvania's own depot, a 1840s log home, stone school house and crafts barn.

Sylvania Historical Society

The Sylvania Area Historical Society, a fully volunteer run organization, preserves and catalogues the archives of our past and makes them available to both scholars and family historians

Lathrop House

The Friends of the Lathrop House opens the doors to the Lathrop House, an early 19th century home and stop on the Underground Railroad. The house was relocated to Harroun Community Park through a partnership with the City of Sylvania, the Friends of the Lathrop house volunteers and MetroParks Toledo and it continues to tell the important story of runaway slaves and the local residents of Lucas County who dared to assist their escape.

Town Crier

The City of Sylvania appointed a town crier in 1995 due to its Sister City relationship with Woodstock, Ontario. The Town Crier greets visiting dignitaries, presides over ribbon-cuttings, opens festivals, leads parades, delivers proclamations, and kicks off conventions.

Centennial Terrace

Centennial Terrace, an outdoor ballroom that hosted many of the great bands of the 1940s and 1950s, concluded a major renovation in June 2009 to restore the beautiful facility to its glory days. It is now a hub for local events and national entertainment.

Sylvania has been designated a Tree City for over 27 years. The abundance of beautiful parks and tree-lined streets provides a natural canopy on nearly every block. In homage to this title, Sylvania and Sylvania Township use a maple leaf and tree as a logo.

Healthcare

ProMedica Flower Hospital is a 315-bed general, acute care hospital located on Harroun Road in Sylvania. It is an area leader in cancer services, inpatient rehab, and adult psychiatric care. Further offerings include an emergency center, surgery, maternity services, various outpatient rehab programs, and more. The hospital has been named on multiple occasions to Becker's Hospital Review's list of 100 Great Community Hospitals and is a Primary Stroke Center.

The Flower Hospital campus is also home to two medical office buildings with various physician practices, ProMedica Ebeid Hospice Residence, ProMedica Goerlich Center (Alzheimer's or dementia care), Heartland at ProMedica (skilled nursing facility), and beautiful walking paths.

To learn more, visit promedica.org/flower.

Located at 5700 Monroe Street in Sylvania, ProMedica Health and Wellness Center is truly unlike anything else in our region. It connects patients to a wide range of medical services in one, convenient location. The facility is comprised of more than 100 healthcare providers as well as laboratory, imaging, pharmacy, optical, urgent care and endoscopy services. The center also houses two community meeting spaces for seminars and health education. For a full list of services and hours of operation, visit:

www.promedica.org/healthandwellnesscenter or call 419-291-6500.

Sylvania Community Services

This innovative agency manages programs that benefit people of all ages. It operates the Sylvania Senior Center that serves over 250 senior citizens a day through a broad array of options including health, fitness, education, transportation, and recreational services.

Sylvania Community Services also operates one of the area's largest childcare programs serving more than 300 children per day. The before/after school programs are conveniently located in Sylvania Elementary Schools. They are also proud to offer two preschools to the community, one is located near downtown Sylvania and one in Northview High School, part of the Early Childhood learning track for high school students.

Sylvania Community Services receives in-kind support from the City of Sylvania, Sylvania Township, and the Sylvania School District.

Recreation

The Sylvania Area Joint Recreation District (SAJRD)

The Sylvania Area Joint Recreation District (SAJRD) was created in 1988 as a partnership among the City of Sylvania, Sylvania Township, and Sylvania School District to provide the Sylvania area with highest quality recreational programs and facilities.

Sylvania Pacesetter Park at 8801 Sylvania-Metamora Road is a 138 acre multi-use sports complex that offers recreational opportunities for all ages, from its 18,000-square-foot playground to open air shelters and walking/jogging paths. The eight fully-lit baseball and softball diamonds rival any in the Midwest, and Pacesetter is the annual location for countless youth and adult baseball/softball leagues as well as adult Softball tournaments. SAJRD maintains Pacesetter's premier turf fields with the highest care, serving the varying needs of soccer, lacrosse, and flag football teams.

SAJRD opened its brand-new Skate Park in November 2011 as part of its .42-mil capital improvement ley that Sylvania area voters approved. The construction of the 10,000-square-foot concrete facility tests skateboard enthusiasts of all abilities with state-of-the-art features. The Skate Plaza is open for all to use from sunrise to sunset year-round and there is no fee to the public.

One-half mile to the east of Pacesetter Park is Centennial Quarry & Terrace.

Centennial Terrace was built as an outdoor ballroom in 1939. Throughout its storied history, the facility hosted many of the great swing and big bands of the 1940s, 50s, & 60s. SAJRD completed a \$1.9-million renovation of Centennial Terrace in spring 2009, including a much larger stage & bandshell, sound system, "polished concrete" dance floor, and restroom / concession building. On many Saturday nights, Centennial still features big band music; since the renovation, however, it also hosts acts as diverse as Alice Cooper and Sheryl Crow. Annual summertime staples include the "Sylvania Star Spangled Celebration" – Sylvania's July 3rd fireworks display, the "Disco Party" and the "80's Explosion Party" where 3,000 adults enjoy reliving hits from the 70's and 80's.

The adjacent Centennial Quarry at 5773 Centennial Road is a deep-water, spring-fed swimming facility with a 22-foot average depth. It has diving platforms, numerous inflatable water toys, swim rafts, sandy beach, 3 sand volleyball courts, and a basketball court. The quarry is a perfect summer place for teens and young adults, with season passes and daily rates (Open Memorial Day – Labor Day).

Plummer Pool is located near downtown Sylvania at 6940 Maplewood Ave. This public swimming pool is the perfect place for young children and families to cool off during the summer months. Also open Memorial Day thru Labor Day, Plummer Pool features a "zero-depth entry", interactive spray features and swim lessons. Sylvania Tam-O-Shanter (TAM-O) at 7060 Sylvania Avenue boasts two indoor NHL-sized ice arenas, pro shop, restaurant, concessions and adjoining sports & exhibition center. TAM-O is home ice to 12 Northwest Ohio Hockey Conference high school teams and provides popular events such as drop-in hockey, public open skating, skating lessons, youth and adult hockey leagues, tournaments, and learn-to-skate programs.

The 36,000-square-foot Sports and Exhibition Center is a year-round multi-purpose facility. Its state of the art indoor turf is perfect for winter events such as lacrosse, soccer, flag football, and birthday parties, while its NBA basketball court provides basketball, volleyball, and dodgeball. The Sports & Exhibition Center hosts more than 25 spring & fall trade shows, expositions, receptions, concerts and special events such as the Children's Wonderland display during the three weeks leading to the Holiday Season.

Recreation

The **Metroparks** in the Toledo Area have a significant presence in the Sylvania region.

Wildwood Preserve is the most popular of the Lucas County system's 12 Metroparks. This 500 acre natural reserve is the former estate of Robert A. Stanahan, Sr., co-founder of the Champion Spark Plug Company. The 1938 Manor House, the Stanahan home, is an architectural masterpiece. The 18th century Georgian colonial, complete with appropriate furnishings and decorations, is open for free guided tours Saturday and Sunday from noon to 5p.m. or by appointment. The Manor House is the host venue for a variety of special programs and musical performances.

In addition to the Manor House, Wildwood Preserve features the Oak Grove School, an 1897 one-room brick schoolhouse that Metroparks relocated to the site in 1998, as well as The Ward Pavilion, a 180-person rental facility perfect for weddings, corporate functions, and parties. Wildwood is a principle connector to the six-mile University/Parks Trail, stretching from The University of Toledo campus to King Road in Sylvania Township. It is a lush greenway through woodland, meadows, and wetlands, including the 7-acre Oak savanna remnant restored by The Olander Parks System. Wildwood Preserve Metropark is at 5100 West Central Avenue between Corey & Reynolds Roads. Secor Metropark, a contrast of wet lowlands, tall

timber, and rolling sandy hills, is 8 miles west of Wildwood Preserve at 10000 Central Avenue. The towering tulip trees and northwest Ohio's largest concentration of dogwoods bloom in spring, when wildflowers blanket the moist forest floor. Secor Metropark hosts The National Center for Nature Photography that features permanent and special exhibits on Saturdays & Sundays with free admission from noon to 5p.m. For more information on these or any Metropark sites throughout Lucas County, telephone 419-407-9700 or tour metroparkstoledo.com.

The **Olander Park System (TOPS)** operates nearly 250 acres in the Sylvania School District. Its most popular site is the 63-acre Milton Olander Park at 6930 Sylvania Avenue. Olander's signature element is its 28-acre spring-fed lake, with others being its natural sand beach, 1.1-mile walking oval, fishing, rowboat & paddleboat rentals, and sand volleyball courts. The Nederhouser Community Hall, with its attractive deck on scenic Lake Olander, is the perfect setting for weddings, parties, and corporate functions. People travel from all over the world to visit Fossil Park at 5705 Centennial Road, adjacent to Centennial Quarry & Terrace. The dig sites are rich with whole and complete 375-million-year-old Devonian Fossils and you keep all that you find! TOPS opened the location's solar-powered

permanent restroom in Summer 2010. Fossil Park Rocks!

Sylvan Prairie Park at 8601 Brint Road was a failed golf course that TOPS is restoring into a 230-acre meadow and wet woods. Sylvan Prairie has two parking lots, playground, and is home to roughly half of the 6-mile Quarry Ridge Bicycle Trail. The bike trail links Sylvan Prairie to Fossil Park, Centennial Quarry & Terrace, and Pacesetter Park.

TOPS worked with the Sylvania School District to restore a 7-acre endangered Oak savanna adjacent to the University/Parks Trail, owns its own 5-acre Oak savanna remnant south of Ten Mile Creek, and manages the 3-acre neighborhood Whetstone Park.

The park system has approximately 10 mostly-free nature and education programs each month, as well as major community events like the Maple Syrup Fest, Easter Egg Hunt, Kids Trout Derby, "Sunset Serenades" summer concert series, Lucky Duck Open Water Swim, Sylvania & Super Kids Triathlons, the Olander Park 24 Hour Endurance Challenge, and Halloween Hike. Go to olanderpark.com or call 419-882-8313 for more information. Remember When It Comes to Parks in Sylvania, We're TOPS!

Sylvania area citizens expect first-rate Parks & Recreation and the City of Sylvania, Metroparks, SAJRD, & TOPS deliver!

Sylvania Organizations

Sylvania Area Family Services, Inc.

2017 will be Sylvania Area Family Services, 50th year of service offering family, youth, and social services. The agency is a licensed after-school childcare and offers a 10-week summer enrichment camp for school age children. Its youth diversion program allows first-time offenders to avoid having a footprint in the juvenile court system. The agency also has two spaces for hall rentals. With a choice pantry, utility and rent referral services, free monthly lunches and dinners, SAFS continues to fulfill its mission of strengthening Sylvania "one family at a time."

Established in 1922, Toledo Memorial Park is the area's finest cemetery, with 380 beautiful acres of meadows, ponds, magnificent trees, flowering plants and sculptures designed to celebrate the living beauty of our history. TMP is a park like setting that invites the community to walk, run, bike, roller blade, picnic or stroll with your four-legged friend while enjoying the sights and sounds of nature. We have over 87,000 burials and are non-sectarian, non-denominational, non-profit park, owned solely by the property owners. Proceeds from merchandise sales and services are put back into the Park for its ongoing everlasting upkeep and maintenance. An eternal investment for generations to come. The Park is maintained with funds from several investment trusts funded over the years to take proper care of the structures and grounds in perpetuity.
